

Steering Group - Record of Visit

Strategic Area: Research & Development Date of visit: 18/1/17

Name of Strategic Lead: Justin Reeve

Name of Governor Rep: Andrew Parmenter

Summary of discussion

Telephone call with Justin held.

Informed that central research a little out of date.

Questions raised as to how we approach the research issue and how we do it.

CTG-needs to be self- sustainable -Hence potential funding issues

Pastoral issue raised and the upskilling of TA's to be involved in pastoral issues.

We are looking at anger management/Worry box /Fireworks? issues more closely

Other school areas have shown interest in our general approach eg South Suffolk which is positive.

Quantitative data-Question raised as to how we work this -Complicated issues to be addressed.

Justin has placed himself on at least one course to help in the understanding of his new role and to then help re adopting all appropriate strategy going forwards.

Issues arising:

See above plus noted that a more robust assessment tool to be put in place and for appropriate funding to be put in place

Question as to how soft the date needs to be was raised/.

Agreed Follow up/Action

Suggest that we catch up Quarterly to check on progress in this arena.
